FreeBird, Coleman & Amish

Meyers Beef

Sustainable

All our chicken (down to the nuggets) is cage-free, vegetarian fed and without antibiotics.

Our ground beef is also hormone and antibiotic free.

We serve American farm raised catfish, Canadian or Scottish deep water Atlantic salmon and fresh water farmed tilapia. Wild caught fish are noted.

Otherwise, we make all our dressings, sauces; smoke our meats; cut the fresh vegetables ourselves and slow cook from dry beans

Thought you might want to know.

PLEASE NOTE: Requesting undercooked animal derived foods may increase risk of foodborne illness

Chicago Health Department
